WELCOME

Bitsource Solutions Pvt. Ltd. established in year 2013 at Jodhpur (Rajasthan) India as a Manufacturer and Merchant Exporter. The Company is ISO 9001:2015 certified company, Member of Federation of Indian Export Organization, Member of Ministry Of Micro, Medium & Small Enterprise. In very less time period the company became one of the Pioneer Suppliers globally due to quality, commitments & customer satisfaction.

Bitsource Solutions Pvt. Ltd. enormous success in this highly competitive industry is the result of excellent leadership of our mentor "Sachin Parihar (Managing Director)" .Mr. Sachin. Parihar is B.E (Electrical) & has 25 Years of manufacturing experience in Defence, Aeronautical, Automobile & Diesel- Electric Locomotive Engines & locomotive spare parts industry along with international trade exposure.

We assure 100% quality checks of product for long product life. The products are manufactured & sourced from leading ISO/QS/TS certified companies who are approved with Railways and OEM's. Our every supplied part is warranty covered against faulty material & workmanship.

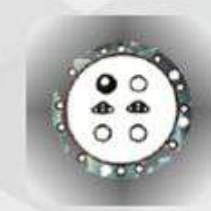

We also provide complete locomotive maintenance services on request.
